

Arsi Outreach Church kofele congregation there was a six-day conference was held from June 13 to June 18. We were there on Sunday, 18.

The conference was organized by the Kofele Women's Union. This women's union does various activities in the Kofele area. They visit the homes of mothers who have left the church, they worship our lord within choir in the church

In the picture below, we can see the Kofele Women's Union serving in the choir on Sunday, and the parishioners who attended the conference are also parishioners from Arsi outreach Church around Kofele area.

On that day, Ato Milkias Petros was given the opportunity to speak and he spoke a little about the establishment of the arsi outreach church and prayed for God to help the women's union.

The photo below is when they are speaking

Next, the women's union prayed for the health of Mr. Milkias and his wife and clothed them with gifts of Gabi

The photo below is of Gabi's gift and prayer time
